Kirchenstr. 22

AUSTRIA

Attersee, June 2013

Dear Mr Moses Kyaligonza,

Dear Mr John Chrysostom Muwonge Matovu,

Dear Rev Fr Paul Ssemunaaba,

Dear Ms Jane Luyiga,

Dear Ms Nabbanja Mary

How are you?

We got your names and addresses from Fr. Simon Mbeera, who has been staying with us and assisting during the summertime in the last couple of years in the absense of our Father, Josef Schreiner.

We are an Austrian parish community and would very much like to get into contact with you in Bujuuko. Fr. Simon Mbeera presented the Lux Mundi project to us last summer in our little town, called „Attersee“. It became obvious, that an enormous amount of help is needed for your projects in Bujuuko. We would like to help you!

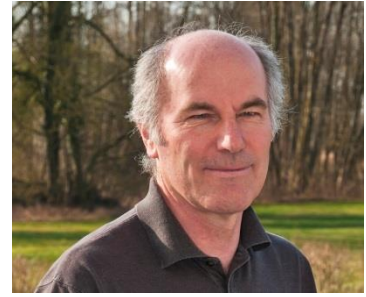

On the one hand we would like to give you some financial support and on the other hand we would like to offer you a mutual cultural exchange.

Are you interested? We are thinking of an exchange of information about us and our families, our ideas, dreams and hopes, our ways of living, our customs and rites, our work, our country. In this way we get to know each other a little better despite the huge distance between us in Mid-Europe and you in East-Africa. Hopefully we can create a long-lasting friendship!

Now we would like to let you know a few details about us:

Josef Schreiner, Father

I am Josef Schreiner, I have been Father in our Parish Attersee for 10 years. I like my profession very much, because I get to know so many different people and I am allowed to accompany them in joy and sorrow. In my spare time I enjoy hiking in the countryside and in the mountains.

Anton Hollerweger, Head of the parish council Attersee

I am married and father of three children. It matters a lot to me that children and juveniles receive a good instruction at school and this enhance their chances for a good future. This is why my family and I want to support the Lux Mundi project.

I would like to support the project in Uganda, because I think it is really important for kids all over the world to get an adequate education.

Wolfgang Wurm

My name is Wolfgang!

My favourite hobby is photographing what gives me occasionally the chance to contribute to the illustration of our parish's newsletter.

Gerhard Gschwandtner

My name is Gerhard and I am responsible for the management of finance in Attersee. For sure the main focus is to organize a good financial basis for our community. But also the support of partner projects is our mission

Christian Resch

I have been working 10 years voluntary for a social project with homeless people in Austria. In most cases the reason for their poverty was too little education.

I appreciate your project and would like to support it.

Heidi Nini, Spokeswoman on female affairs in the parish council Attersee

I would like to let the people in charge of the Lux Mundi project know. I heard the presentation of Fr. Simon last summer and I am convinced that our aid is needed. I am glad that our donations are meaningful and may there be success and joy with everybody involved in this project.

Michael Ryba

I am Michael Ryba, 46 years old, married, two daughters, 5 and 7 years old.

Professional I am beekeeping with 150 hives.

I grow up in Vienna, which is the capital city of Austria and moved with my family to Attersee several years ago.

Mainly my own young family and my job in and with nature, this bliss, made me become active as a Christian should be.

With my friends here in Attersee i want to support your project.
