Dear Sponsors,

On behalf of the sponsored kids, I greet you in the name of our Lord Jesus Christ. We thank you for the wonderful services rendered to us most especially paying our school dues. Due to the global pandemic of Corona virus, it affected us negatively most especially in academics. We spent seven months outside the school environment. The government came up with an idea of re-opening up of schools for candidate classes and institutional finalists. We are still continuing with the struggle in order to achieve the best in the coming Uganda National Examinations. We are also happy that besides Covid-19, you still managed to support us academically. We also pray that you continue having that merciful heart and may the good Lord continue blessing the work of your hands. We also ask you to continue supporting us and we shall also do the best to reward you positively. We wish you Merry Christmas and a prosperous new year.

Yours faithfully,
MUBUBI GEOFFREY,
