Pfarrcaritaskindergarten Enns-St.Marien

Requirements for registration

You would like to send your child to the church children's education and care facility Enns-St. Register Mary? Then you will now find the requirements that must be met! Your child is already three years old when they start kindergarten. The child's main residence is registered in Enns.

Registration via the municipal office

- Registration takes place via the online platform of the municipality of Enns. To do this, please open the link below and fill out the online form.
- When selecting your preferred kindergarten, please select "Pfarrcaritaskindergarten Enns-St. Marien".
- The data provided will then be forwarded to the kindergarten.

1

Contact through the kindergarten

- After the data has been received by the church children's education and care facility, it is entered into the local data processing program.
- You will be contacted by management by phone or email. Here you will find out the next steps and which forms and data are still required.

2

Registration interview

- Once all forms have been signed and the link has been filled out, an appointment for the registration interview will be arranged.
- This is where the final data and forms are processed and your child gets to know the group room and the specialists in the assigned group.
- During the registration interview you will receive relevant information for starting kindergarten and the time for settling in will be set.
