

# Bastelanleitung Schmetterlinge

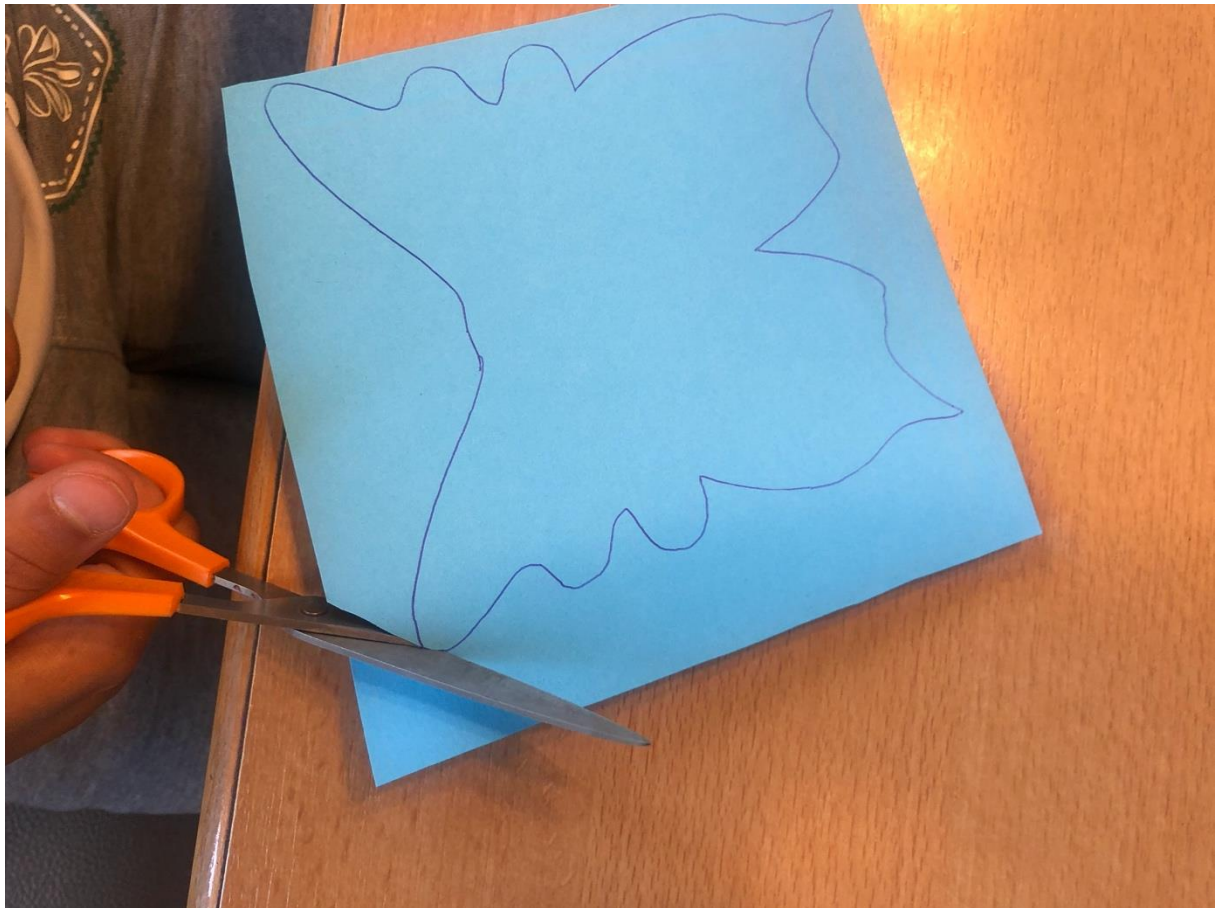

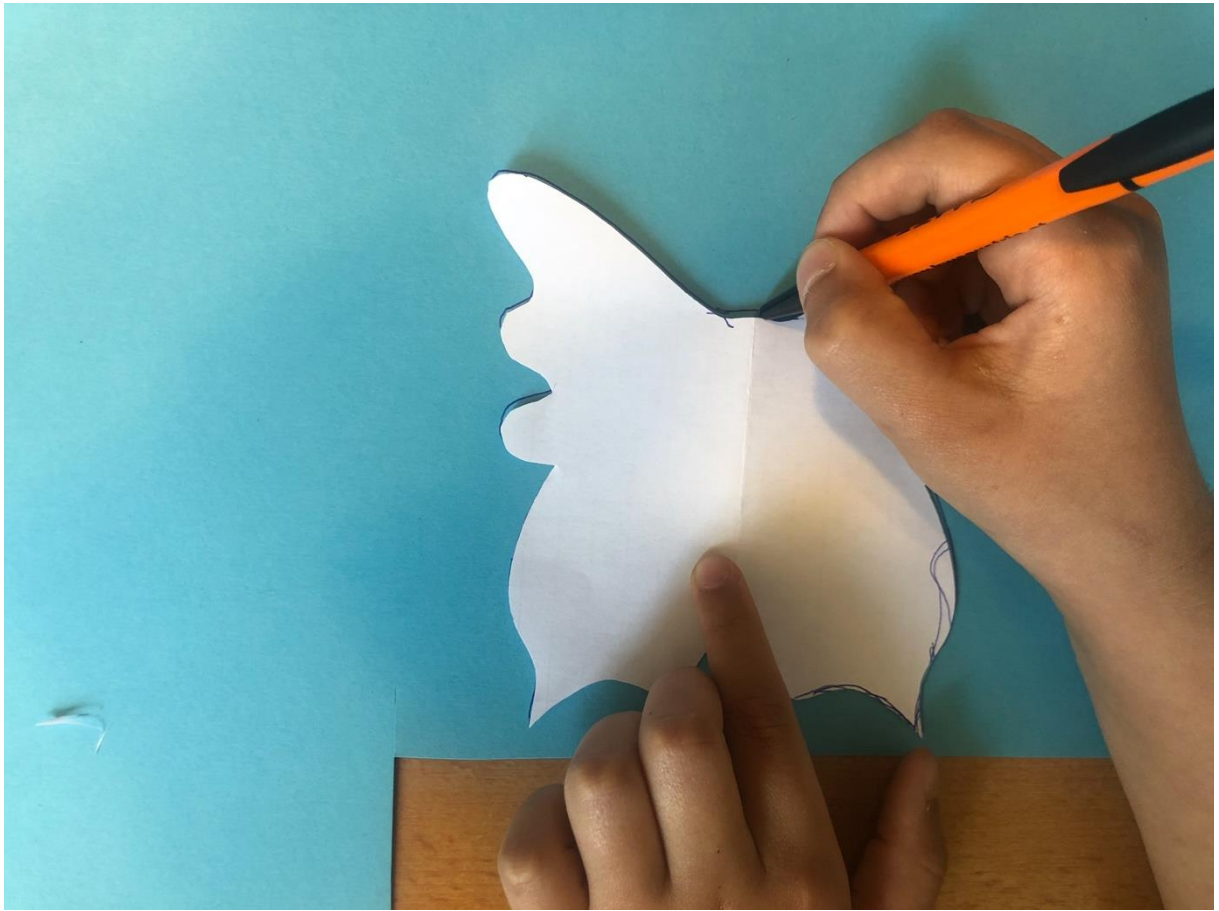

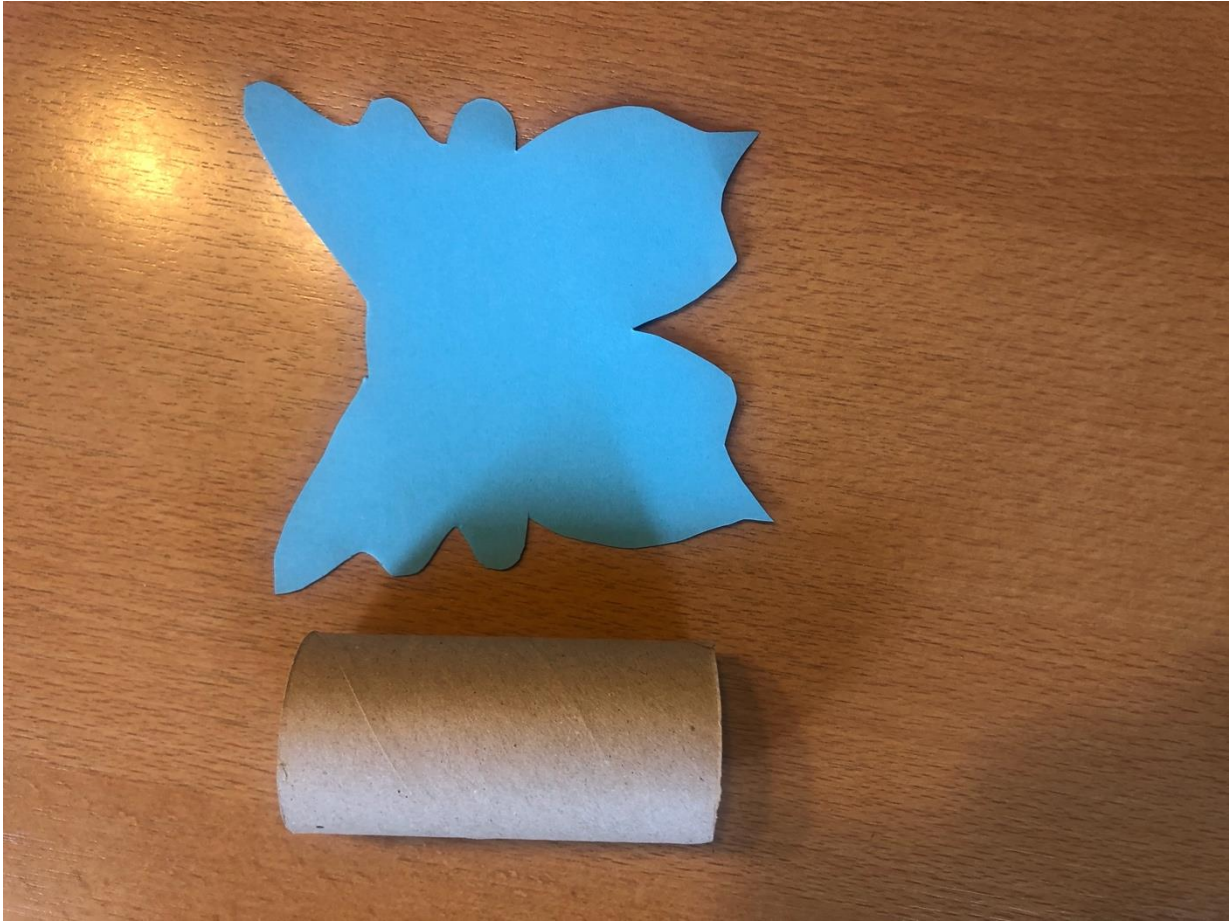

VORLAGE 1

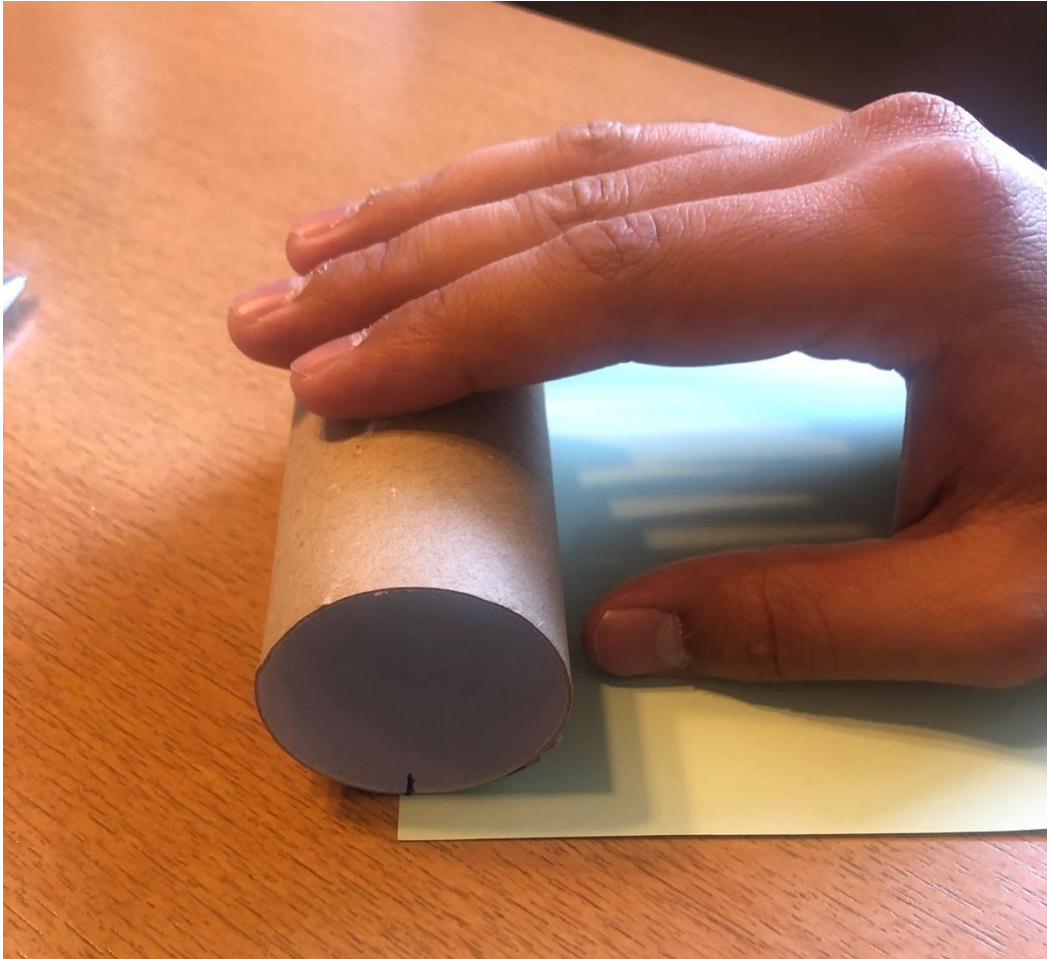

VORLAGE 2

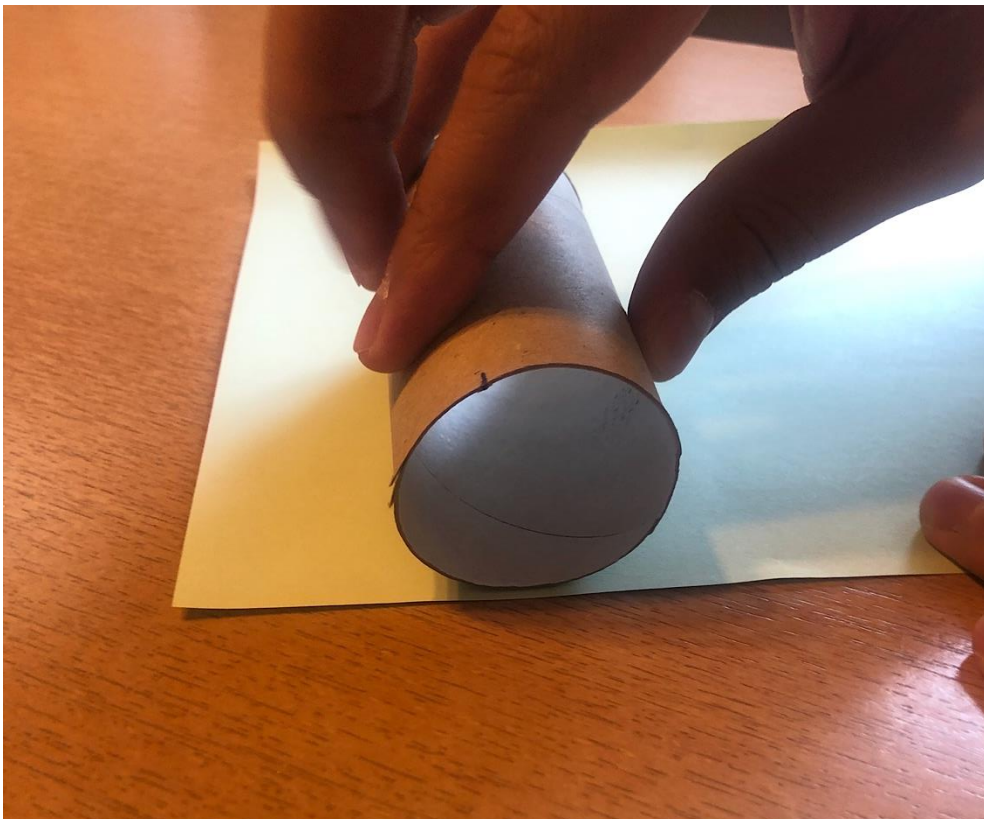

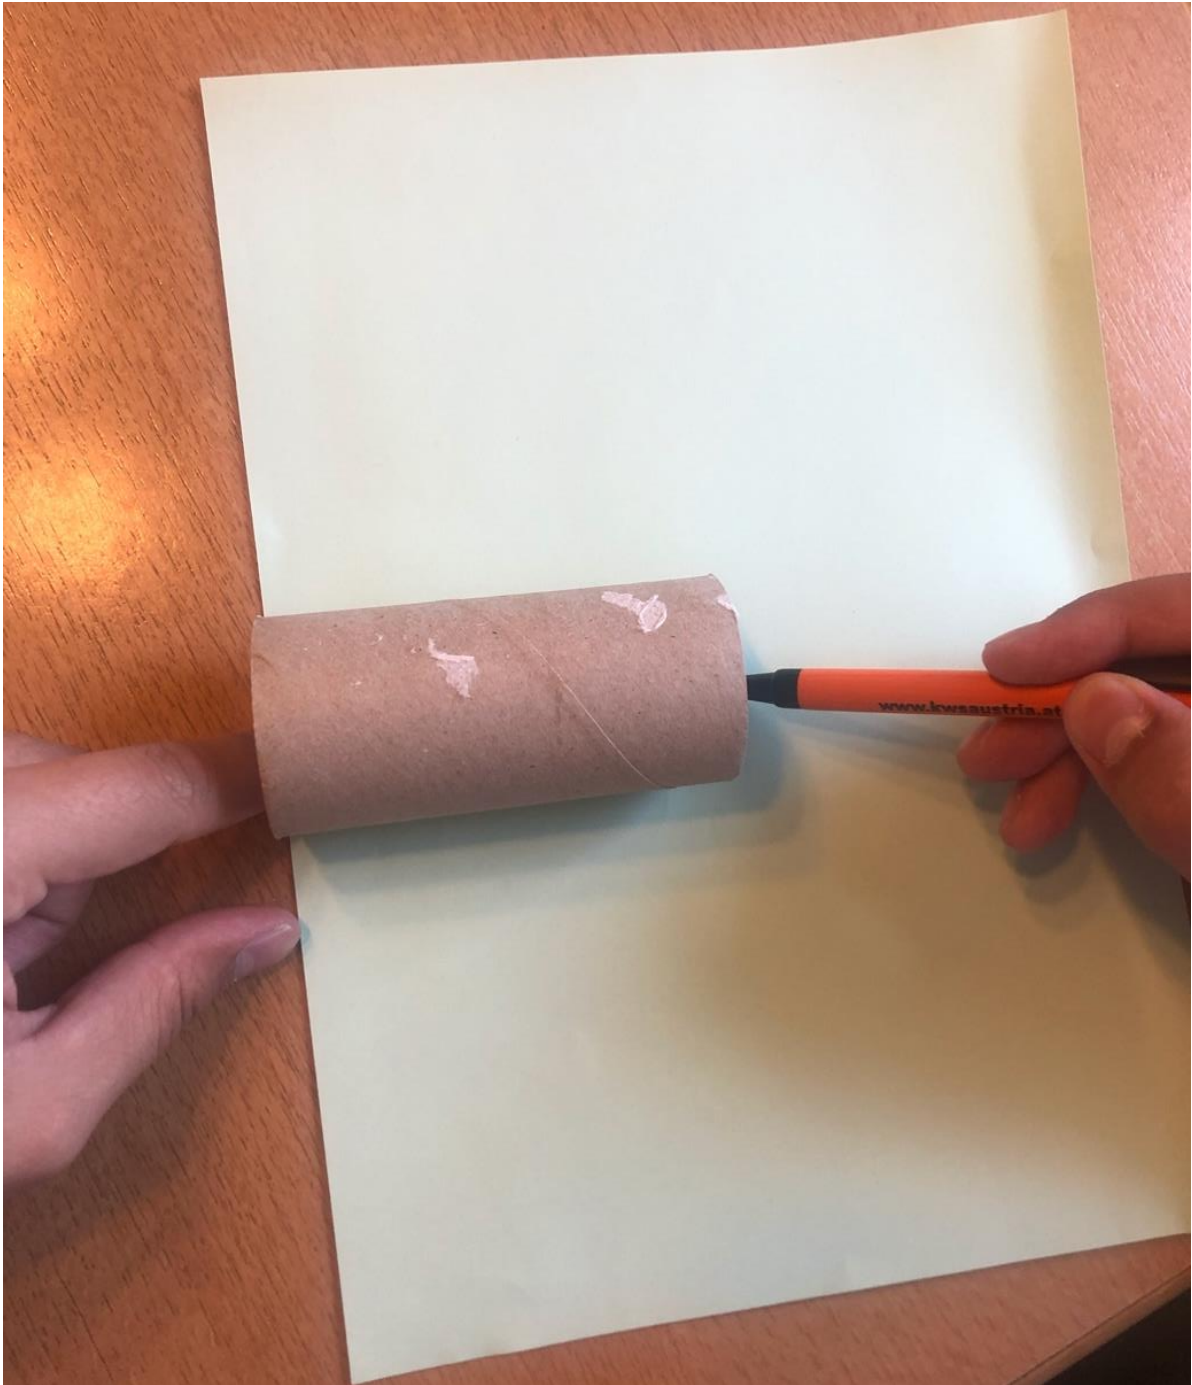

Markierten Punkt anlegen und einmal rundherum rollen.  
Eventuell rechts schon die Breite der Rolle markieren.

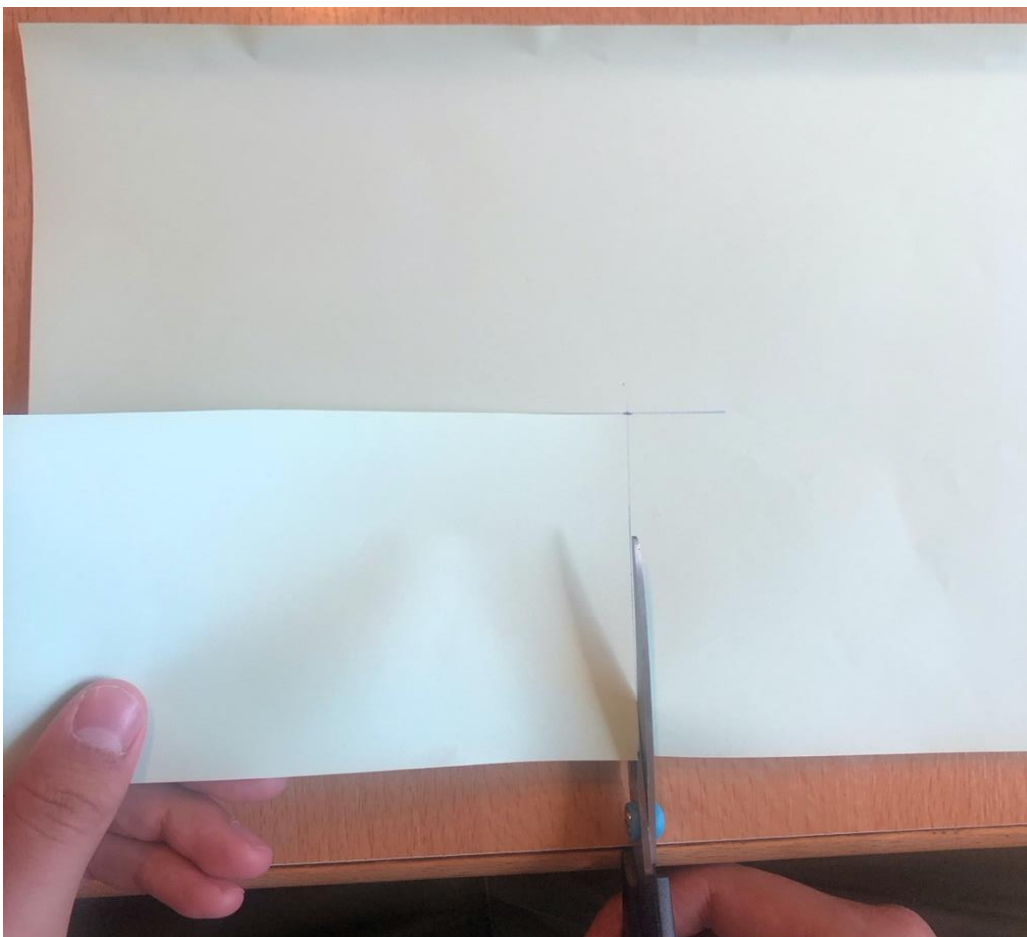

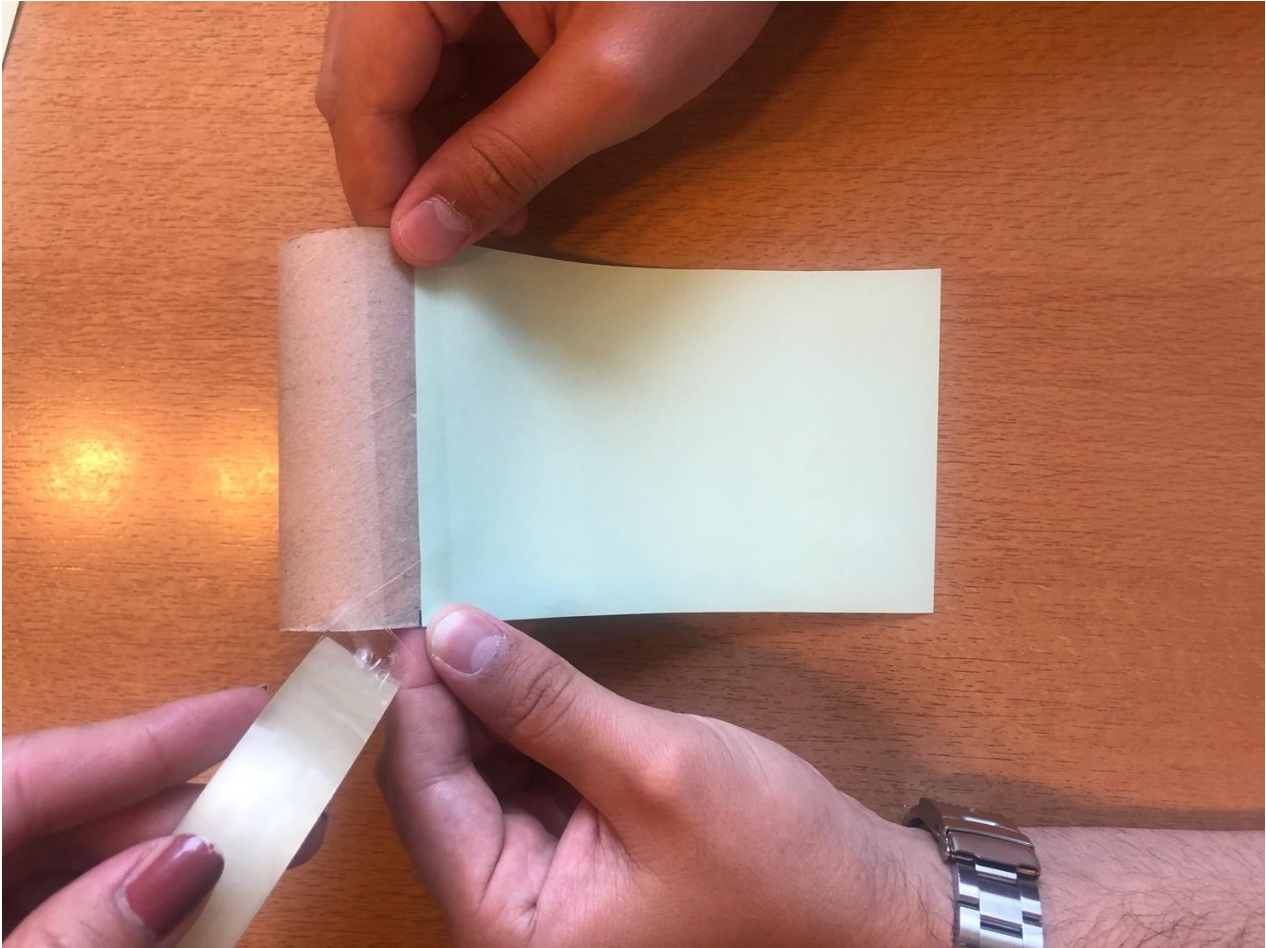

Nach einer ganzen Drehung:  
Links → Punkt auf dem Blatt markieren  
Rechts → Breite der Rolle markieren

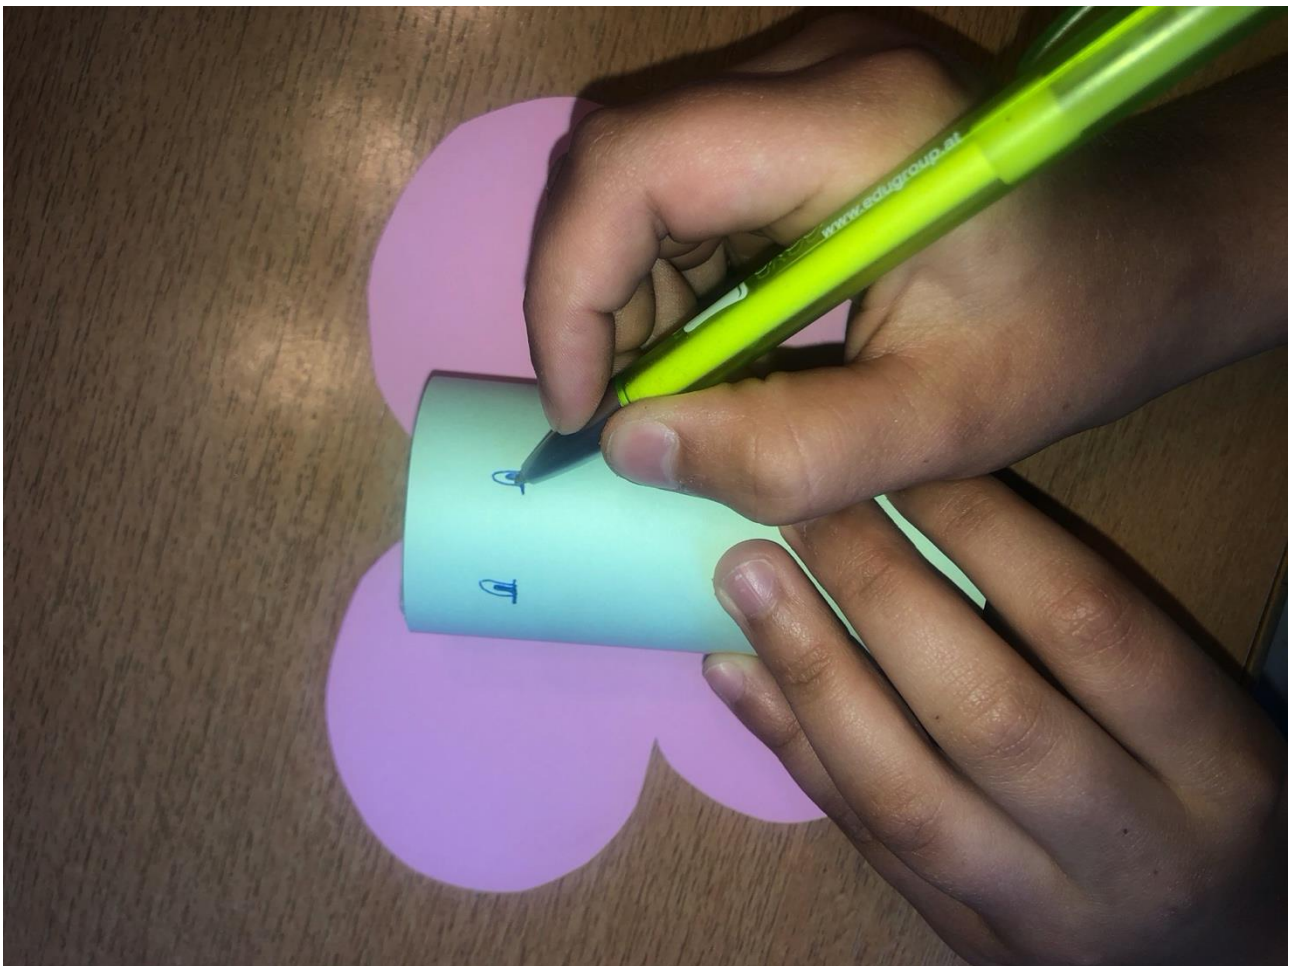

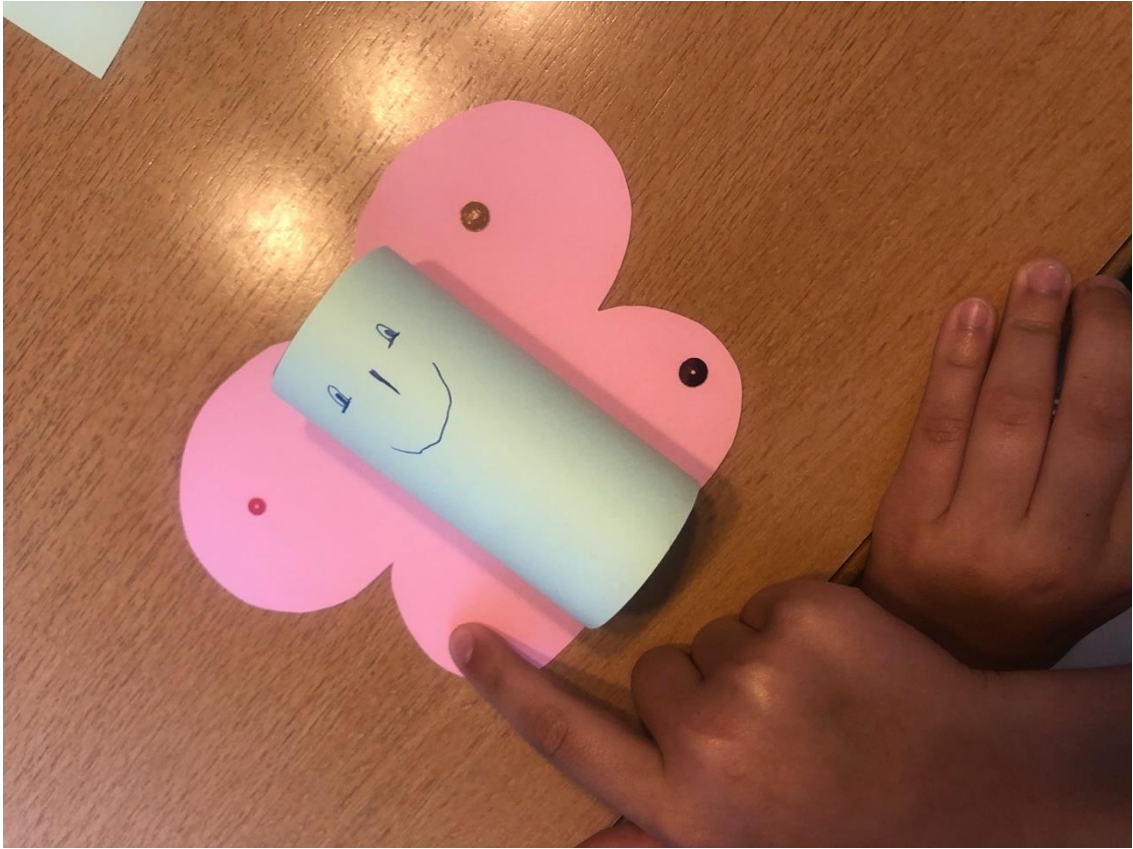

Markierte Punkte zu einem Rechteck verbinden (am besten mit einem Geodreieck!!!!!!)

... und fertig 😊

**Viel Erfolg!**  
Deine Lisa 😊
