

LUX MUNDI COMMUNITY DEVELOPMENT FOUNDATION

Background

Lux Mundi Community Development Foundation (LMCDF) is a nonprofit Community Based Organization located in Bujuuko, Mpigi District, Uganda.

The Latin phrase "Lux Mundi" means Light of the world.

The formation of LMCDF was inspired by Rev. Fr. Simon Mbeera in 2011, to respond to the immense poverty and poor standards of living in Bujuuko.

With the biblical theme in Mat 5: 14, 16, the foundation got its name: "you are the light of the world. Let your light shine before men..."

Vision

To see Bujuuko community empowered towards having good and integral standards of living

Mission

To uplift Bujuuko community's living conditions through sustainable development

Motto

Moving towards community empowerment

Objectives

- To provide financial, psychological and material support to orphans and children from poor backgrounds
- To initiate and support Women and Youth self-help development projects
- To engage in water and sanitation programs: to avail water services and sensitize the community on preserving the water sources
- To work in collaboration with other support organizations that deal with social and pastoral development issues for the sake of the common good
- To conduct Anti – Aids Campaigns, sensitization on Aids prevention and providing Counseling services
- To engage in Educational programs: constructing schools and agricultural training
- To provide Health Care facilities for the community
- Start up a micro finance scheme that will support the income generating projects for the community.

Membership

LMCDF is open to all people regardless of religious background and political affiliation, interested in improving the standards of living in Bujjuuko.
